Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above identified patent.

Applicants' proposed request to change data on the Title Page; Item [54] Title is not warranted correction. The changes as presented in the Letters Patent is the result of a style change where certain words such as "A, Improvement etc.." are not included as the first word of the title.

In view of the forgoing applicants' request in this matter is hereby denied, however, a certificate of correction will issue to correct the remaining errors noted in applicants request.

Any inquiry concerning this communication should be directed to Ms. A. Green at (703) 756-7541.
